96.01 PERMIT. No unauthorized person shall uncover, make any connection with or opening into, use, alter or disturb any public sewer or appurtenance thereof without first obtaining a written permit from the City. The application for the permit shall set forth the location and description of the property to be connected with the sewer system and the purpose for which the sewer is to be used, and shall be supplemented by any plans, specifications, or other information considered pertinent. The permit shall require the owner to complete construction and connection of the building sewer to the public sewer within ninety (90) days after the issuance of the permit, except that when a property owner makes sufficient showing that due to conditions beyond the owner's control or peculiar hardship, such time period is inequitable or unfair, an extension of time within which to comply with the provisions herein may be granted. Any sewer connection permit may be revoked at any time for a violation of these chapters.

96.02 PERMIT FEE AND CONNECTION CHARGE. The person who makes the application shall pay a fee, established by resolution of the Council, to the Clerk to cover the cost of issuing the permit and supervising, regulating, and inspecting the work. In addition, there shall be a connection charge, established by resolution of the Council, paid to reimburse the City for costs borne by the City in making sewer service available to the property served.

96.03 PLUMBER REQUIRED. All installations of building sewers and connections to the public sewer shall be made by a licensed plumber, and a plumber's license may be suspended or revoked for violation of any of the provisions of these Sanitary Sewer chapters.

96.04 CONNECTION REQUIREMENTS. The installation of the building sewer and its connection to the public sewer shall conform to the requirements of the *Spirit Lake Plumbing Code*, the laws of the State and other applicable rules and regulations of the City.

96.05 SEWER TAP. Connection of the building sewer into the public sewer shall be made at the "Y" branch, if such branch is available at a suitable
